RE: Case No. 2006-00015

Dear Ms. O'Donnell,

Enclosed are the original and 13 copies of the public notice and affidavit of publication that was published in our local newspaper for a rate increase. We originally filed the rate increase but didn't publish in local paper enough times to meet regulations. There has been a case number filed with our application which is referenced above. These copies should go along with all the information that was submitted in the original packets.

Thanks so much for your help in this matter and we apologize for the inconvenience this has caused. If any further information is needed, feel free to give me a call at the above number anytime.

Sincerely

David French, office manager  
Western Mason Water District
